

## O'Keeffe-Inspired Floral Tissue Collage

### Supplies Needed

- Clear Glue
- Non-Bleed Tissue Paper
- 9x12" Canvas Panel
- Paint Brush
- Plastic Bowl

### Step 1

First, mix three parts clear glue to one part water in a plastic bowl. Then, tear tissue paper shapes, brush a layer of glue onto canvas and arrange tissue paper.

### Step 2

Continue to tear tissue paper shapes, adding layers of glue and tissue. Be sure to coat the tissue generously with the glue mixture.

### Step 3

Create additional layers in coordinating and contrasting colors of tissue until design is completed. Allow collage to thoroughly dry.

### O'Keeffe-Inspired Floral Tissue Collage Project Kit

#### Web Project 69

**12-Project Set**—This kit contains enough supplies to make up to 12 beautiful O'Keeffe-Inspired Floral Tissue Collages based on our exclusive project! By dipping strips of non-bleeding tissue paper into clear glue, then arranging them onto a canvas, students can create a 3D painting with brilliant colors. Complete kit includes: 12 each of 9x12" canvas panels, one bottle of washable clear school glue (32 oz.), 100 sheets of 20x30" designer craft tissue paper and instruction sheet. Non-bleeding tissue retains color with clear glue. You will also need paint brushes and bowls. Glue is AP Seal, non-toxic.
