Tangled Leaf Project Kit Web Project 193

50-Project Set—Enough supplies to make up to 50 tangled leaves! Complete kit includes one package of Roylco Perfect Leaf stencils, two 25-sheet pads of 9x12" Canson XL Series recycled bristol, four sets of 6-count black Sakura Pigma Micron pens and an instruction sheet. You will also need a pencil, colored pencils and an eraser to complete the project. Pens are AP Seal, non-toxic.
Item Number - USCPK193

Step 1

Choose a leaf stencil and trace the outline on a piece of bristol with a pencil.

Step 2

Use a Pigma Micron Pen to draw a tangle pattern in the leaf veins.

Step 3

Draw a different tangle pattern in each section of the leaf, then erase the pencil lines.

Step 4

Color the leaf with colored pencils, being careful to blend the colors.
